

All Aboard - Summer Fun Camp at First Presbyterian Church!

First Presbyterian Kids hopped on board the train for two great evenings together for *Summer Fun Camp*. They enjoyed being together for Bible lessons, crafts, games, activities, snacks and most of all.....fellowship!

First stop – register with Edith and pick up your ‘ticket’, your scarf and your first goodie bag! Christian joined the railroad crew for the evening of fun! Next stop – food and fellowship in a shady spot at the ‘train station’.

A box becomes a train car – complete with ‘engineer’, wheels and lots of stickers!

Fun train whistles – quite the hit!

Down the 'track' with our conductors: Pastor Tom, Bill and Marvin. Track was drawn and/or painted on the sidewalk, parking lot and the grass lot on the south side of the church. Howard Antes, aka as our crossing guard, made sure that the 'train' crossed the alley safely to the other side of the tracks!

Lots of games, activities and prizes filled the hours with so much fun! Crew members Tarryn Godsey & Christian Heaton kept the kids busy with games. Not sure who had more fun – kids or crew! 😊

The children aka the train engineers, were attentive as they listened to lessons and prayers each day from Pastor Tom, Jayne James and Laura Osborn.

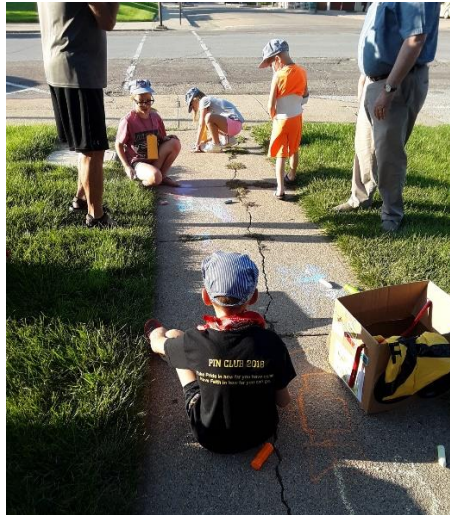

Time for snacking the second night – they're still in their 'train' line with pizza!

Choo choose Jesus – coloring our train whistles!

When they had a few minutes in between activities.....sidewalk chalk painting was a big hit!

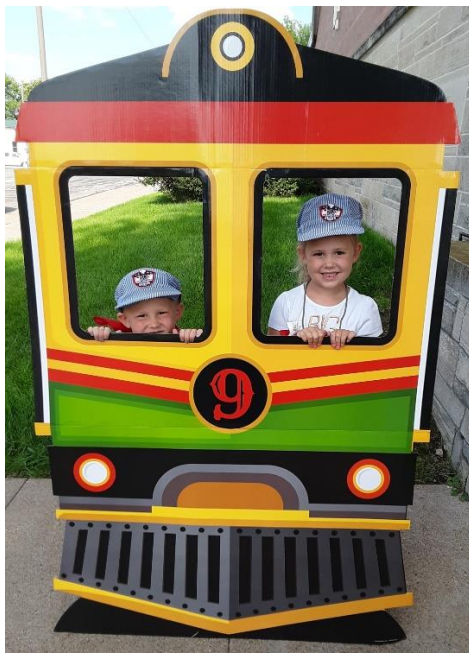

Fun and fellowship in every moment with kids, parents and volunteers!

Our Engineers were all aboard for Jesus!
